Under this agreement for 2016
Mount Murchison State School will receive $9550

This funding will be used to

- Ensure that all students met NMS for reading in NAPLAN
- Ensure that 45% of students achieve in the U2B in NAPLAN for reading
- Support all students to improve their reading to attain school benchmarks and individual reading targets

Our initiatives include

- Provision of explicit Professional Development to all staff to deepen the understanding of how to effectively teach reading by provision of coaching, modelling and feedback
- Developing and embedding a whole school strategy to collect and analyse reading data to result in enhanced differentiated teaching of reading

Our school will improve student outcomes by

- Teachers working in collaboration to develop and embed a parent engagement strategy to support student reading improvement
- Aligning school resources to support student reading improvement by purchasing additional Teacher Aide hours to deliver targeted individual and small group student reading support
- Developing and implementing a coaching program to ensure high quality feedback for staff and students to improve reading success
- Ensuring all key stakeholders (staff, students and parents) improve their data literacies for reading
- Ensuring that teachers work in collaboration to develop Individual Learning Improvement Plans for each student which have a reading component within the plan
